

VISION

My vision is to foster a progressive and developed constituency where residents enjoy enhanced standards of living and a brighter future for generations to come. By nurturing vibrant rural hubs and prioritizing education, job creation, farmer upliftment, women's safety and empowerment, and environmental protection, I aim to curtail urban migration and facilitate flourishing hometowns.

Parliamentary Track Record & Achievements:

I believe in creating a holistic environment that encompasses physical, intellectual, and ideological aspects. Through visionary planning and meticulous implementation, coupled with innovation and capable leadership, I envision a transformative India. Recognizing the need for political change, I stand for progress and am committed to meeting the expectations of our electorate.

Mission for Chevella Parliamentary Constituency

Education for the Youth: Prioritizing education to empower the youth and build a prosperous nation.

Youth Apprenticeship & Employment: Fostering stable job opportunities through innovative apprenticeship programs.

Agricultural Support: Advancing farming practices through technology and infrastructure enhancements.

Women's Safety, Empowerment & Financial Independence: Ensuring gender equality and safety, promoting financial independence for women.

Environmental Protection: Committing to environmental sustainability through pollution reduction and sanitation improvements.
